#### Dear Families,

It is with great honor and excitement that I introduce myself as the proud principal of Humes Middle School. As a member of the Humes family for the last four years, I have made a commitment to ensure the students of HMS are not only prepared for the next grade level, but are also prepared for college, their future careers, and are productive citizens in the community, now and in the future. My goals are to ensure the students of HMS have access to a quality education, to support great teachers, and to serve as a partner in the development of your child.

Humes is a safe, welcoming, and caring environment that focuses on developing ALL students and ensuring they not only display intelligence (we challenge them to do their best academically), but also grow in character and demonstrate maturity and commitment to the school and community. Through the numerous clubs, organizations, sports, community service events, outreach programs, and fun activities for students and families, we diligently remain an integral part of the community, while making school a fun and nurturing.

Our school is fully inclusive, including all students and giving everyone a chance to explore their interests. #### DISTANCE LEARNING RESPONSIBILITY

If students use the distance learning model (virtual instruction), students will receive a variety of support from teachers and staff. Teachers will require the same level of engagement during online courses as they would require during in-person classes. It is the responsibility of the student to own his/her work. It is the responsibility of the parent to ensure students dedicate time for student learning, even if the student is learning from home. If you have any concerns or questions, feel free to call the school at 901-443-7575 or email or call the teacher.

# **Parent Engagement**

## **Parental Volunteer Policy**

All FCS parents are requested to commit to at least 5 hours of volunteer service to the school within one school year. Volunteer hours will be logged and awards will be given to the most active parents at the end of the school year.

#### **Parent Academy Sessions**

Parents are encouraged to attend all Parent Academy data meetings. If a parent is not available to attend the sessions, then they are allowed to send a representative to attend the meeting. The representative must be an adult over the age of 21.

## Parent Advisory Council (PAC)

The PAC consists of parent representatives from each grade level. Parent representatives will co-chair school-wide activities with a school staff member. A minimum of 5 PAC representatives per grade level is needed to ensure the success of the PAC. PAC meetings are held monthly at the school or online in the case of distance learning.

# **FCS Student Attendance Policy**

# **FCS Attendance Expectation**

Attendance is critical to your student's success. Students cannot master the content and skills of our rigorous academic program without being here every day. Absences for any reason are unfavorable to learning and should be avoided. The responsibility of the student regular attendance rests with the individual and the parent or legal guardian. In an effort to support our students and their families, FCS is committed to assisting parents, legal guardians and students with achieving our daily attendance goal of 97%.

FCS will record and report the monitoring of daily attendance to the State of Tennessee's Department of Education and Juvenile Court in accordance with the Tennessee Compulsory law(T.C.A. §49-6-3001).

# Compulsory Attendance Policy

The Tennessee State Compulsory Attendance Law (T.C.A. §49-6-3001) requires that students of legal age attend school (ages of six and seventeen years, both inclusively), exceptions are circumstances that arise which temporarily or permanently excuse the student from attendance.

# <u>COVID - 19 Attendance Implications</u>

During the 2020-2021 School Year, students may be learning in a distance-learning setting from home. This has implications on how an absence is arrived at. Students are required to be at school for 7 hours per day during a normal year. FCS will implement 7 hours of meaningful online activity as the standard for full attendance. Students who do not accrue at least 4 hours of meaningful activity in FCS monitored systems per day will be marked as absent. Students who do not reach at least 7 hours of meaningful activity should know that all work assigned is expected to be completed.

Monitoring of student activity will be accomplished by triangulating GoGuardian, Canvas, Clever, i-Ready, Edgenuity, Aimsweb+, and APEX online platforms. Because students who attend school in person will still engage in online learning, these same metrics will be captured and compared to the actual presence of the student. If a student is in person but does not engage in 4 hours of meaningful activity per day, counseling will be used to increase engagement. Disciplinary measures may be called for if counseling fails.

# **Attendance Requirements**

In the State of Tennessee, a student's school year consist of 180 instructional days. This does not include vacations, administrative days, and natural disasters (T.C.A. §49-6-3004) as approved by Frayser Community Schools. 5 Days per year are accounted for by "stockpiled days" due to our longer school day. This allows us to have a student calendar of 175 days. The school calendar is divided by semester; refer to the front of the handbook to review the calendar.

# Enrollment of overage students

Students that are 18 years of age or older are considered beyond the compulsory attendance age. Enrollment for overage individuals must be reviewed by the Attendance Manager, School Counselor and Dean to evaluate previous attendance records, discuss academic alternatives, make proper education placement referrals; layout academic course guidelines, attendance and behavioral expectations of the student.

Individuals that are interested in enrollment must register within the first twenty (20) days of school and go through the evaluation process. Evaluation conditions are mentioned below and not limited to:

1. Has dropped out of school and wants to re-enroll

2. Enrolling after the first twenty (20) days of school

*Exceptions to this policy are:* 

- A doctor's note that covers the absences
- Frayser Community Schools will permit enrollment under the Individuals with Disabilities Education Act.

# **Drop from Enrollment Policy**

Students that are beyond the compulsory attendance age may be dropped from enrollment after five (5) consecutive unexcused absences or a total of five (10) unexcused absences from class or school, upon the approval of the school principal or attendance manager.

# **Excused and Unexcused Absences Policy**

We realize that there are times when students will not be in school. However, FCS strongly believes that your student's education should be his or her priority. Students are expected to be on time and attend all scheduled classes each day. Students receiving an excused absence under this section will have opportunities to make up missed assignments. A parent or legal guardian provides the school with a medical or written note within one (1) days of the students return. Handwritten notes cannot exceed more than six (6) written notes per year.

#### **Excused Absences**

FCS will only count any absences from school as excused for the following:

- 1. Personal illness (absences exceeding three days may require a physician's statement).
- 2. Personal injuries, homebound circumstance or hospitalization of the student with documentation from the treating medical physician.
- 3. Medical, Dental and Optometric appointments (we strongly recommend you to make these appointments outside of school hours or during vacations).
- 4. A death in the immediate family or other significant family crisis (limited to three (3) days with proper documentation)
- 5. Religious holidays
- 6. Suspensions
- 7. Court orders; subpoena; and other appointments with verified documentation
- 8. Students that are participating in school events, activities and verified college visits
- 9. Circumstances that affected the student's absence as approved by the principal or designee.
- 10. Students that have a parent or legal guardian in the military, National Guard or Reserve that is deployed will be permitted one (1) day.
- 11. Special requests from parent/legal guardian (pre-arranged by principal or attendance manager)

#### Note: All other absences will be unexcused

The Tennessee law requires students to bring a letter of documentation from the parent, legal guardian or medical professional when absent. To comply with state law, upon return to school, students MUST bring in a note covering absences accrued. The note must include:

- The date(s) of the absence(s)
- The reason for the absence(s)
- A phone number where a parent, legal guardian, and medical professional can be reached
- The parent or legal guardian signature

## **Unexcused Absences:**

Unexcused absences are accumulated due to unlawfully missing school without acceptable reasons, not having an excused note on file or exceeding handwritten notes.

Below are examples of unexcused absences.

- 1. Missing the bus, ride or car trouble (unless the fault of the bus company)
- 2. Missing class due to late school arrivals and check outs without acceptable reasons.
- 3. Missing class due to oversleeping/alarm failure
- 4. Skipping class or leaving campus without following proper check out procedure
- 5. Leaving school during the regular school day without approval of school personnel
- 6. Driver's License/Permit appointments (appointments should be made during breaks or vacations).
- 7. Missing class or school for employment or job interviews
- 8. Personal grooming appointments (hair or nails)
- 9. Needed at home/babysitting
- 10. Missing school due to fatigue

Parents or legal guardians will receive notification via phone, email or letter from the school after three (3) unexcused absences to offer support in problem-solving, resources and notifications of the next steps.

# **Pre-Arranged Absences**

Contact the attendance manager in regards to pre-arranged absences. Please note that absences have a detrimental effect on a student's accomplishments and progress, and this should be considered prior to requesting pre-arranged absences.

# **Opportunities for Make-up Work**

Students will be given the opportunity to make up work missed due to an absence and/or out of school suspension within three official school days of the students return. It is the parent and students' responsibility to notify the teacher to arrange make-up work, pick up makeup packages and to ensure makeup work is returned by given deadline only by appointment. There will be no exceptions. Most, if not all, teachers will have regular make-

up policies already in place, and students should be aware of those requirements. Remember that make-up work is the responsibility of the student. It is not the teacher's responsibility to track down students to administer make-up tests and collect homework. Also, the teacher schedules make-up work, not the student. Students submit all make-up work, tests and quiz with-in five days or determined by the teacher. Assignments missed due to an unexcused absence may not be made up.

# **Truancy**

Truancy is a major violation of FCS regulations. Any student who misses school or a class without prior permission or who misses for reasons other than those outlined in the excused absence section may be considered truant.

In an effort to deter students from missing school, all truancy violations are CUMULATIVE for one school year. The parent or legal guardian will be notified in writing or by phone if a student is considered truant. The parent/guardian will be required to have a conference with the attendance manager and school administrator.

Students who do not submit an excuse upon returning to school will receive an unexcused absence and may not be permitted to make up any missed assignments. This includes classwork, homework, and assessments. Please note that FCS will contact the Shelby County Juvenile Court Division at 616 Adams Ave. Memphis, TN 38105 when a student is suspected of being truant.

# **Truancy Intervention**

FCS strives for student's excellence and achievement. Attendance plays a vital role in their academic success. There are three (3) categories of attendance interventions listed below. The prevention plan will be implemented daily as students will be reminded of FCS's attendance policies and expectation during morning meetings. Early intervention will be implemented when a student has (3) unexcused absences. Legal enforcement will be implemented when we have exhausted all options of interventions.

#### Prevention

- 1. Review of Attendance Policy with students during morning meetings
- 2. Monitoring and recording data
- 3. Referrals of student or family needs
- 4. Partnership with parents or legal guardians

#### Intervention

- 1. Meeting with student
- 2. Conduct home visits
- 3. Referral to Student Support Services or recommendation to outside community agencies
- 4. Facilitate Student Attendance Review Board (SARB) Meeting with student and parent or legal guardian
- 5. Implementation of attendance intervention plan
- 6. Interruption of driver's license and Tennessee Family First Benefits
- 7. Department of Child Services reporting and recommendations
- 8. Reporting and scheduling a mandatory parent meeting with a member of the District Attorney's Office

## **Legal Enforcement**

- 1. Referral to Shelby County Juvenile Court at 616 Adams Ave. Memphis TN, 38105
- 2. Referral to Department of Children Services and Department of Human Services
- 3. Referral to the District Attorney Office

## ATTENDANCE POLICY- PLAN OF ACTION

Research provides evidence that students with good attendance perform well in school. Students should be present and prepared for learning each day. A student's absence may be excused for the following reasons:

- 1. Personal illness of the student
- 2. Death or serious illness in the immediate family
- 3. Recognized religious holidays
- 4. Subpoena for court appearance
- 5. Approved school sponsored activities

A <u>written notice</u> explaining the absence <u>is required</u> when a student returns to school. This should be submitted to the front office or emailed to the office secretary in the case of the distance learning model.

Unexcused Absences	Response and Action
2+ absences	A phone call reminder from the school.
3-4 absences	Warning letter with reference to the truancy laws and consequences of noncompliance. Please get a written excuse for any doctors' visits and bring to the school.  *Please note that SCS truancy office will handle all SCS students at this point.

5+ absences	ASD parents must attend a meeting with school counselor to develop a school attendance plan. All attendance records are sent to Shelby County Schools (SCS) and the Achievement School District (ASD). Further actions will be taken by the school district. *Please note that SCS truancy office will handle all SCS students at this point. Please get a written excuse for any doctors' visits and bring to the school.	
10-14 absences	ASD Office of Portfolio Management will be notified. School makes the Department of Child Services call for noncompliance. Students are not eligible to participate in any school athletic teams, organizations, or field trips.	
15+ absences	All unexcused absences over 15 school days and/or noncompliance with the attendance plan, the case will be sent to Memphis City District Court.  Students are not eligible to participate in any school athletic teams, organizations, or field trips.	
45+ absences	Student is eligible for retention to current grade. Memphis City District Court will take further legal action. Students are not eligible to participate in any school athletic teams, organizations, or field trips.	

#### **Tardiness**

Students are considered tardy if they arrive after morning meeting (8:10 am). Students that are tardy (after 8:15 am) must enter the school with a parent or guardian to be signed in and provide a reason for the tardiness. Students who arrive after 11:00am must provide a doctor's excuse before attending class. In addition to late morning arrival, students who are withdrawn from school prior to dismissal are also considered absent from their afternoon classes.

In the case of distance learning, a student is tardy if they are not in the online class within the first 5 minutes of the start of class. Frequent tardies will result in lowered participation that will negatively impact their grades.

Please note that Frayser Community Schools will contact the families directly with any issues dealing with tardiness

#### **Doctor and Dental Appointments**

Parents, please work with the school to schedule all doctor's appointments after school, on the weekends, or during holiday break. If you have to schedule an appointment during the school day, the lunch and enrichment periods are ideal. Students can return back to school after appointments.

<b>Letter Grade</b> A	<b>%</b> 93	<b>GPA</b> 4	<b>Explanation</b> Excellent	Proficiency Level Advanced
В	85	3	Very Good	Proficient
С	75	2	Average	Basic
D	70	1	Below Average	Below Basic
F	0	0	Failure	Below Basic

#### Citizenship and/or Conduct

In addition to students operating at a high level of proficiency, conduct and citizenship is very important. FCS wants students to work hard and to be kind. FCS students do the right thing because it is the right thing to do. Our students act appropriately even when others are not observing their actions.

S	Satisfactory	3-5 negative behavior logs with no office referrals
N	Needs Improvement	6-7 negative behavior logs
U	Unsatisfactory	8+ negative behavior logs

Conduct logs from all teachers will be reviewed before a student's final conduct is assigned. Students who have 3 or more behavior logs within one teacher's class will be required to attend a parent/teacher conference.

As parents review final grades on the report card, please note that the final grade is a composite of several graded items under the following weighted criteria.

Grading Item Assessments (Weekly Quizzes and Tests)	Percentage of Overall Grade 40%
Participation (Classwork, Notebook Checks, Notes,	40%
Homework, Exit Tickets, Do Nows, Checks for	
Understanding)

It is expected that parents and students use their individual PowerSchool log in information to access student grades. PowerSchool log-ins can be obtained during Back to School night and from the school counselor any time after.

# Intervention, Promotion and Retention Policy

K-8 Students must pass English/Language Arts and Mathematics to pass for the year. Frayser Community Schools may offer summer school for grades K-8, based on high demand.

# **Humes Middle School Discipline Policy**

Humes Middle School's School Culture and Discipline Code of Conduct for students is based on four clear, all-encompassing expectations:

- Respect and follow all rules and procedures (including on the bus)
- Respect yourselves, others, and school property
- Be at school on time everyday
- Give maximum effort at all times

While we will have articulated rules and consequences for all aspects of the school, the essence of our discipline code is captured in these four expectations. These expectations are foundational for success, in school, in work and in life. Their simplicity allows the staff to intently focus on these and to use a common language with students and families in ensuring adherence to them. As noted in professional development, we will provide intense training to teachers in establishing our school culture, which will ensure that teachers know what these four expectations look like in practice and how to support students in meeting them.

#### **PBIS System**

Humes Middle School offers a tiered system to provide incentives and support around academics, attendance, and behavior. This will put an emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. A continuum of positive behavior support for all students within a school is implemented in areas including the classroom and non-classroom settings (such as hallways, buses, and restrooms). Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs. Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

#### **Example Infractions:**

- Tardy to school
- Tardy to class
- Chewing gum

- Not following directions
- Use of electronics

#### **Code of Conduct Levels**

FCS has arranged the Student Code of Conduct based on the seriousness of the offense. Level 1 offenses are the least serious offenses and Level 5 offenses are the most serious offenses. FCS will support students by putting interventions in place to help the student succeed.

\*\*\*Zero Tolerance offenses are specific acts committed by students that require mandatory expulsion for one calendar year under the Tennessee State law. \*\*\*

# **Hierarchy of Consequences**

Students who earn more than three detentions in a week will serve an in-school suspension. During which they will complete a Behavior Reflection that requires the student to reflect on ways in which their behavior contradicted the values of DRIVE, as well as complete academic work. Students will also complete one or more school enhancement projects during their suspension.

Parents/Guardians of students that struggle to meet behavioral expectations, and have multiple detentions/in-house suspensions will be contacted by an administrator. A meeting will take place including the student, the student's parent/legal guardian, school counselor, and the Dean of Students, to discuss implementation of a Behavior Intervention Plan for the student.

# **Additional Infractions**

While consequences will be issued for minor behavioral infractions, more serious consequences will be administered for behaviors including (but not limited to) the following:

- Cheating and/or plagiarism. Cheating and plagiarism represent breaches of community integrity and trust. Humes Middle School defines cheating as conversing with another student during a graded assessment/assignment, copying or attempting to copy the work of another student, or using/attempting to use materials other than those allowed during an assessment/assignment. Humes Middle School also considers the act of giving answers or one's work to another student as cheating. Plagiarism is defined as representing the work of another as one's own.

#### **Student Responsibility**

We all share the responsibility for a safe, positive learning environment. Students who have knowledge about serious disciplinary infractions or potentially serious disciplinary infractions must contact a teacher or administrator. These infractions include (but are not limited to) cheating, property violations, harassment, acts or threats of violence or aggression, alcohol, controlled substances or tobacco, and weapons. Failure to contact a teacher or administrator may result in disciplinary action.

#### **Suspension and Expulsion**

If students persist with inappropriate behavior or if the inappropriate behavior is of a serious nature, the student may be suspended from school. The purpose of a suspension is to remove a student from the classroom, provide a warning that unacceptable behavior must change, and allow a student an opportunity to reflect on the seriousness of his/her actions. Suspensions carry academic consequences and create a permanent record of the incident in the student's file.

School leadership may suspend any student (in or out of school) for up to 10 school days for serious cause, including (but not limited to): defiance of authority, disregard or disobedience of school rules and regulations, verbal abuse of adults or students, disruptive or disorderly behavior, violent or threatening behavior, bullying or harassing conduct, hazing, fighting, intoxication, possession of tobacco or controlled substances, destruction or theft of school

property or personal property, truancy, persistent absenteeism that is not due to certifiable medical illness or disability, and persistent tardiness.

In cases of suspension, school officials will present the student with the reasons for suspension and provide the student with an informal opportunity to respond to the incident to the suspension. The parent/legal guardian will be notified within 24 hours of the behavior problem and the corrective measures taken. The parent/legal guardian of the suspended student must attend a readmission conference with the student and a school administrator.

\*IEP meetings will be held for students with disabilities.

#### **Alternative Education during Suspension/In School Suspension**

In accordance with Tennessee Code Ann. §49-6-3401, students given an in-school suspension from classes for more than one day will be placed with similarly disciplined students and will have access to the curriculum and required to complete academic work. School leadership at Humes Middle School will coordinate with classroom teachers to ensure that students receive appropriate instruction and support in completing their academic work. In-school suspension will be overseen by Humes Middle School's Student Success coordinator.

#### **Long-Term Suspension and Expulsion**

School leadership may recommend suspension for more than 10 days and/or expulsion of a student to the Principal or LEA for serious infractions, including (but not limited to): defiance of authority, repeated disregard or disobedience of school rules, verbal threat of abuse to adults or students, disruptive or disorderly behavior, bullying or harassing conduct, hazing, violent or threatening behavior, fighting, destruction or theft of school property or personal property, truancy, assault of school personnel, possession of a weapon on campus, participation in gang related activity on campus, possession of firearms or other dangerous weapons, possession of controlled substances. In cases in which the student has committed a crime or violation of local, state or federal law, law enforcement authorities will be notified.

The parent/legal guardian and student will be notified in writing within 48 hours of the intent to suspend for more than 10 school days or expel the student and of the right to appeal the decision. Humes Middle School will also provide written notice to parents/legal guardians of the time and place of a discipline hearing, which within five to ten days after the beginning of the suspension. The hearing must include the student, the school staff who determined the suspension, the parent/legal guardian and the Director of Student support. The hearing authority may affirm or overturn the decision of school leadership.

#### **Discipline and Enrollment**

Humes Middle School follows state law and ASD guidelines in enrolling students with outstanding disciplinary actions issues by the home LEA. These allow LEAs discretion as to whether to honor an outstanding suspension or expulsion and not immediately enroll a student. In making these decisions, HMS will utilize the following guidelines:

- 1. Humes Middle School will require a student's report card from the previous academic year in order for a student to register. This represents the most reliable way to determine if a student has an outstanding suspension or expulsion.
- 2. Humes Middle School will review the home LEA list from the ASD Support Team staff which identifies students who have outstanding disciplinary actions.
- 3. If Humes Middle School determines that a student has a previous disciplinary issue, school leadership will contact the administrator of the student's previous school to learn of the circumstances surrounding the disciplinary action. Humes Middle School will not deny enrollment to a student if an appropriate, comprehensive analysis has not been conducted.
- 4. Humes Middle School leadership will meet with the student and the parent/legal guardian to discuss the outcome and behavior expectations.
- 5. Humes Middle School leadership will coordinate with the ASD Student Information Manager to determine how to account for the student in state reporting.

# **Discipline and Students with Disabilities**

Students with disabilities are included at Humes Middle School Middle School. Consequences for offenses directed toward students with disabilities reflect the severity or repetition of the offense. It is imperative that school personnel be aware of which students are classified as disabled under either IDEA or Section 504. A student with a disability shall not be removed from school for more than ten days before a Manifestation Determination is convened to determine whether the student's offense was caused by his/her disability or not.

At the initial IEP team meeting or annual review, plans are established which address behavior management as well as academic and vocational skills. The student's IEP reflects expected behaviors, objectives to modify behavior, and pre-established consequences when appropriate. A written record is kept of all discussions and disciplinary actions taken. Whenever possible, suspension or expulsion is the last action used. It is recommended that lesser consequences such as classroom hierarchy discipline procedures, detention, supervised study, on-site intervention, etc. be used before resorting to suspensions. It is important that the IEP team includes an instructional component designed to teach the student skills such as anger management, conflict resolution, showing respect to others, and effective communication designed to prevent future misbehavior. When there is no relationship between a child's behavior and his/her disability, the student can be suspended or expelled according to normal school board policy; however, educational services are continued by a member of the IEP team to the extent required.

#### **DISCIPLINING STUDENTS WITH DISABILITIES**

#### **Due Process**

Students with disabilities must be given the same due process protections as students without disabilities including but not limited to oral or written notice of the charges, presentation and explanation of existing evidence, the opportunity to present his or her written or oral statement, notice, and a hearing if needed.

#### **Short Term Removals and Suspensions**

#### **Short Term Removals**

Short term removals include sending a child to the principal's office or dean of students' office, classroom changes, period of cooling-off, after school detentions, etc. These removals are not considered days of suspension.

#### Suspensions of 10 Days or - Less

Schools are free to suspend students with disabilities from school for up to 10 cumulative days in a school year, so long as the removals do not constitute a change of placement (suspension over 10 cumulative days or a series of shorter suspensions that total over 10 days). During the course of these short term suspensions, there is no duty to provide services, hold prior or follow up IEP meetings, or conduct manifestation reviews.

#### **In-School Suspensions**

Days that students are placed in in-school suspension do not count towards the 10 cumulative day total so long as students have the opportunity to progress in the general curriculum, continue to receive IEP services, and continue to participate with non-disabled children to the same extent they would have in their current placement. Partial days may or may not be counted in calculating the 10 cumulative days depending on the time in which the student was placed in this setting.

#### **Bus Suspensions**

Bus suspensions are counted towards the 10 cumulative days of suspension if transportation is included on the student's IEP, unless the school provides alternative transportation. If the student receives general education transportation services and the service is not included on the student's IEP, days of bus suspensions are not counted towards the 10 cumulative days.

# **Long term Removals and Changes of Placement**

#### Removals for More than 10 Days

When suspensions exceed 10 cumulative school days, schools are required to hold a manifestation determination meeting and provide the student with educational services until a change of placement is made. Manifestation determination review meetings can be held after 24 hour notice to parents pursuant to Tennessee Rules of State Board of Education (0520-01-09-.15: Parent Participation)

#### On and After 11th Day

Services provided must enable the child to continue participating in the general education curriculum, although possible in another setting, and to progress toward meeting IEP goals and objectives. The IEP team has the duty to provide or review functional behavioral assessments and behavioral intervention plans and develop IEP goals, objectives, and modifications designed to prevent the behavior from recurring.

#### **Manifestation Determinations**

#### Standard of Review

The IEP Team must review all relevant information including evaluation results, observations of the child, the student's IEP and placement, medical information, report cards, and other relevant information supplied by the parents of the child, and determine the following:

- 1. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability.
- 2. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP and/or BIP.

IEP Teams must use the state's Manifestation Determination Worksheet and Instructional Guidance found on the main page of EasyIEP when determining whether a behavior is a manifestation of the student's disability.

#### **Manifestation Review Team**

Members include a school administrator, the parent, and other relevant members of the IEP Team (as determined by the parent and school).

#### Conduct is Not a Manifestation of the Student's Disability

If the team determines that the child's conduct is not a manifestation of the disability, the child can be disciplined the same as students who do not have disabilities; however, the student MUST continue to receive special education and related services and the ability to progress in the general education curriculum during the period of removal.

#### Conduct is a Manifestation of the Student's Disability

If the team determines that the behavior is a manifestation of the student's disability, the student may not be suspended beyond the 10 allowable days. The student must be returned to the placement from which he or she was removed unless the parents and school agree to a change of placement. The school must address the child's behavior through a functional behavior assessment and/or a behavior intervention plan. This provision does not apply to the special exceptions listed below.

#### **Special Exceptions**

School personnel may remove students to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability in cases where a child:

1. Carries or possesses a weapon at school, on school premises, or at a school function;

- 2. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, in route to school, or a school function.
- 3. Inflicts serious bodily injury on another person while on the way to school, at school, at a school function or on the way home.

(The decision to remove a student in these situations must be made after a manifestation determination review has been completed.)

#### **Discipline of Unidentified Children**

Schools are deemed to have knowledge that a student has a disability and is entitled to discipline protections when:

- 1. Parents of the child expressed concern in writing to school officials or to a teacher that the child was in special education at Humes Middle School or another school the previous year.
- 2. Parents requested an evaluation
- 3. Teacher or other school personnel expressed concerns about a pattern of behavior to a school official.

Schools are not deemed to have had knowledge if:

- 1. The child was evaluated and determined ineligible
- 2. A referral was made and parents refused evaluation or services.

When a child is unidentified but entitled to discipline protections, manifestation determination reviews are required.

# **Student Locker Policy**

Students will be assigned a school locker to house materials, coats, and backpacks. Student lockers are the property of FCS and are subject to inspection at the anytime. Each student will use only the locker assigned to him/her. NO SHARING! Students should keep the combinations strictly secret. Lockers should be kept neat and orderly so that they close securely and easily. Students are cautioned not to keep money or other valuables in lockers. The school is not responsible for items that are stolen from student lockers.

Homeroom teachers will issue locker numbers. Students will not be allowed to carry backpacks during the school day. Students will be able to access their lockers at the following times daily:

- 1. After First Period
- 2. Before and After Lunch
- At Dismissal.

Humes Middle School and staff members are not responsible for articles lost or stolen from lockers. Students are responsible for the condition, security of lockers, combinations and general use of their assigned locker. Students will report any problems with their lockers or

locker combinations to the Dean of Students. Students are to do this reporting before school, during lunchtime or after school, not during class. The school reserves the right to search lockers, which are defined as school property.

Students will only use lockers if the school uses the traditional brick and mortar instructional model.

### **Bus Rider Policy (field trips and athletic events)**

Behavior requirements on school buses shall be the same as behavior requirements in the classroom and bus service providers. Orderly conversation will be permitted, or as recognized by the school representative supervising the group. The driver shall report to an administrator any misconduct that could injure or cause injury to any pupil riding the bus. The administration shall decide the action to be taken. School bus suspensions will be based on the FCS Student Code of Conduct. Repeated school bus violations may result in a school consequence and/or termination of bus riding privileges.

Repeated Level 4-5 behavior and/or 5 suspensions will jeopardize your status as a student. Please note that through our behavior intervention program we hope to mitigate these challenges.

This policy serves as a guideline, but the Frayser Community Board of Directors has the final decision in all matters that take place under the direction of its schools. The following procedure will be followed whenever a parent/guardian has a particular grievance:

**STEP 1:** The parent/guardian is to set an appointment to meet with the teacher or staff member involved in the grievance. The teacher and/or the parent/guardian may request that the principal or his/her designee be present.

Teachers will provide students with specific information and procedures for the drills. In the event that an actual fire, tornado, earthquake or other emergency situation occurs, the safety of students will be the primary concern of school personnel. During an emergency situation or unusual circumstance, parents and guardians should come to the designated area of the school to check children out of school. In order to assist parents, staff will be present in the office or outside in the hallway near the office. Children will not be released when a Tornado Warning Siren is sounding or during a lockdown or in any other emergency situation the principal deems necessary. We appreciate your cooperation in emergency situations. We encourage parents to also take cover in the school in the event of a warning siren.

#### Medication

Students receiving medication at school must follow these guidelines:

All medication must be brought to the Main Office by the parent/guardian. A student needing an inhaler will be allowed to keep it with him/her as long as he/she is responsible enough to administer the medication to themselves. Students who abuse this arrangement will have to go to the office to use their inhalers or have the teacher keep it for them in the classroom.

Medication must remain in the original container from the pharmacy and must have the student's name, amount of dosage and frequency/time of dosage on the label.

An "Authorization for Medication" form must be completed by the parent or guardian to be given to the secretary or nurse when the medication is first brought to the school.

Over the counter medication cannot be given to students by school personnel unless the doctor has signed the "Authorization for Medication" form.

Medication may only be dispensed through the office or clinic (EPI pens and inhalers are exempt).
